LETTER OF APPRECIATION

Mr. Vamsi V, Manager (Hull& Admin)
Mr. Cherith C Rangaiah, Manager (Projects)

Dear Sir,

1. On behalf of the ICGS Shaunak, I take this opportunity to convey my appreciation for M/s Patel Engineering for completing the SR-02 of this mighty lady with professionalism, dedicated involvement of your team despite challenging South West monsoon with great fervor and enthusiasm. This Short refit is a fine testament to "Atmanirbhar Bharat" to ensure country's self-sufficiency in Ship repair and maintenance. The firm's professionalism, technical expertise, and commitment to high-quality workmanship have not gone unnoticed. The Short Refit-02 was completed in a time bound manner and to the highest standards, and the communication throughout the process was both clear and effective.
2. I am writing this missive with immense pleasure to make a mention of Mr. Vamsi V, Manager (Hull& Admin), Mr. Cherith C Rangaiah, Manager (Projects) and their team's unflinching involvement in SR-02 of ICGS Shaunak. Their

unwavering diligence, positive nature, positive nature and excellent performance has resulted in planning and execution of refit to the satisfaction of user.

3. I was particularly impressed with "the speed at which the critical repairs were handled" or "the detailed attention given to safety procedures". It is clear that your team goes above and beyond to ensure that all aspects of the repair are addressed comprehensively and you will maintain this high standard of excellence in all future projects.

4. Please extend our gratitude to everyone involved in this project.

With warm regard.

Yours Sincerely
